President's Message:

Hello everyone! We're absolutely in the heart of ski season now, and I can't wait to shoosh down those verticals. 😊 We already have 2 trips under our belts, and we're thirsting for more.

Our first trip to Panorama was a trip to paradise. The name really does describe it: Breath-taking Panoramic views of gorgeous mountain forests. It tantalized us with its beauty while we sat inside, waiting for the temperatures to warm up enough for the mountain to open. 😊 We still had a great time playing cards, completing a LARGE jigsaw puzzle, watching football, and um, consuming adult beverages. When we finally got out, we had awesome skiing on huge runs covered in excellent snow.

Our 1-day Mystery trip to Tyrol basin was much warmer(!), and was also a great time. While at Tyrol, Piccadilly met up with members of Rock Valley Ski Club and Sitzmark of Milwaukee. Good skiing, good friends, good times. Thank you, Cheryl Skurkis, for a truly fun day!

Please note: Piccadilly will have our Executive Board elections on Thursday, March 7th. If you can't vote in person during that meeting, please do vote via absentee ballot. Full details are forthcoming. Floor nominations can be made at the February 1st and February 15th general meetings, as well as the day of on March 7th.

Sincerely, POTBSCE – President of the Best Ski-Club Ever!

---Paul F---

Where in the World is Piccadilly?

As you travel to near and far places, bring along PSC logo gear and take a photo of you with that swag (neck wallet, jacket, facemask, business card, pin, bandana, shirt, coat, vest, backpack, koozie, etc.) Be sure to show the PSC logo in the photo, and you of course, along with your travel location as your backdrop, and email it to me, Dawn, at rockaroche3@gmail.com subject line: Where in the world... It does NOT have to be across the world, but it would be fun if it was, and hopefully somewhere identifiable. Or, we'll have fun guessing.

Social Media

Ahhh yes, we all remember a simpler time without cell phones glued to our palm. But they're here to stay and Social Media is a part of it all. Did you know Piccadilly is on Facebook, MeetUp and Instagram? Why? We are working hard to promote our club to attract and keep new members. Using Social Media is a way of reaching and introducing our club to a new demographic. This will help ensure the vitality of Piccadilly and keep it growing into the future!

How can you help?

- You can "Like" our Facebook posts, and share them.
- You can "Follow" us on Instagram and "Like" our posts.
- You can sign up for MeetUp and use it to RSVP for events and meetings.

Create Your MeetUp Account - People need to RSVP to events on MeetUp and so it's very important to be a PSC MeetUp member. Your information is kept private, just post your facial picture so we can associate the member with an event. We use this convenient tool to communicate with you for our events, like where to gather, last-minute event changes, or weather alerts. Please help our Event Hosts reach you for notification and help them know who to look for so we can sit together! We also use MeetUp to give a headcount to Miller's, so they can assign proper staffing, and finally, we can attract more MeetUp members, which translates to new Piccadilly memberships to keep our club thriving. www.MeetUp.com As you can see, there are many good reasons to create your account today! If you need help, see one of your board members. - *Thanks, Pam*

PSC Favorite Ski Stories & Pics

COLLECTIONS to SAVOR the MEMORIES

PINS * PATCHES * STICKERS * HATS * T-SHIRTS *
TURTLENECKS * MEDALS

Bob Hope sang "Thanks for the memories" but how do you savor all the awesome stuff you do on ski trips? Do you take photos? It is ALOT easier than it was a few decades ago. OR... Do you have a collection of items from the Ski Resorts you have visited and the mountains you have challenged. When I was in my 20s, I had a wool knit ski hat and added a pin on every trip. It got really heavy, and I lost a couple when I fell once. Randy and Clare Ann had a better idea and

found an indoor hat to display them on. Clare Ann ran out of space and had to start a 2nd hat. I have a bunch of NASTAR medals and mounted a few of them on a wood plaque that hung proudly on the wall of my apartment. It disappeared when I got married but I still have a few including my gold from Vail. 😊 Did you save your lift tickets? I still have a few but the artwork isn't very good. One thing we stopped collecting after a few years was Cotton Turtle-Neck shirts with embroidered logos. I have about 11 including my 3 PSC shirts (Red , White, and Blue). I still like them BUT technology has made them obsolete. You know when cotton gets wet you get COLD. These days I hunt for the perfect sticker for my helmet. It can't be too big. You have to leave room for all the future mountains we will visit on my second or third trip around the SKI World. What is your favorite collectable? Send it us and we will share some GREAT MEMORIES!
THANKS - Larry Himmelblau, PSC Historian

Send us your stories. ☺ Cheers, Larry Himmelblau – Historian

Bubblehouse Brewery Happy Hour, Sun., 2/18, 2-4pm

This Brewery loves us and wants us back! We were previously received very graciously by our hosts and appreciate the service of the staff and layout of this Brewery. Lots of room to stretch out and a **huge** table we can lay out the snacks we bring. Don't be shy, bring your favorite snack or appetizer to share.

Let's try this again! Our very own member Larry H. did the discovery on this unique location and friendly place. Come and enjoy their Ales, Stouts, IPAs, Fruity Ciders, and Seltzers. They do not have food on site, but we will be informed if they will have a food truck available as they find out. I will then share the info on an update on the MeetUp website. We love the option that it's **OK** to bring snacks along. This is a fantastic option to munch on our favorite finger foods as we mingle and solve world problems and more! Last time people brought all kinds of interesting appetizers and snacks. I will do a repeat, and bring my "Southwestern Deviled Eggs" to share.

Please sign up on Meetup, so we can notify the brewery of our party size. We look forward to having another Great Turnout and having a fun time. - **John O**

Social Recaps, Ski Stories & Photo Gallery...

Wine Tasting at Sable Creek - On January 6th 25 Piccadillians came together at Sable Creek Winery in Plainfield for a wine tasting accompanied by charcuterie trays for snacking. We sampled 6 different wines which were made at the winery while the vintner gave details about the grapes’ origin and production processes. The tasting was followed by live music.

From there, many ventured to Laura and John’s house for more wine with tasty food to enjoy. Thanks to everyone for joining and special thanks to those who brought food and drink to share. It was a great time to celebrate with good friends and good cheers! **Laura & John**

First Winter Pop Up Hike, Little Red School House – Recap - I think the new year brought on some winter excitement. We had a record turnout for the first hike of the season. We timed this one perfectly just before the big snow and the deep freeze. We had 20 hikers browse the museum and schoolhouse then brave the slushy conditions on the trail. It was nice to walk along and socialize with friends.

There wasn't much wildlife to see, but we had some new folks join us who got to see the social side of our ski club. Many were thirsty after our hike, so we headed to a fun little pub and grub called Mo's for lunch. It was a great little spot in Willow Springs, 5 minutes from the Little Red Schoolhouse. The food and service were just right for our group. So that's how winter begins. See you out there. - **Janice**

“The Big Chill” - The few, the proud, the chilled. Piccadilly encountered hilarious misadventure, but we also enjoyed excellent skiing and truly good times together during our trip to Panorama British Columbia.

It began when someone cancelled last-minute. No worries though. GTS processed this efficiently, and United made the change. Unfortunately, at check-in your fearless trip leader

OPERATIONS UPDATE for Monday
January 15, 2024
Posted at: 7:30 AM
Due to the persistent cold temperatures this morning and in line with our cold weather

discovered United cancelled my flight. United customer service rectified the situation quickly, but those were angst-filled minutes!

Our flight went smoothly, but while taxiing to the gate the parking brake froze, stranding us on the tarmac. The ground crew corrected the problem within 45 minutes. We were concerned the bus couldn't wait that long for us, but no problem. While we sat on the tarmac, the charter bus blew a coolant hose due to cold. A second bus had to rescue us.

The drive was smooth but long and slow, due to snowy roads necessitating lower speeds. This meant a bio break was urgently needed before our destination. The landscape surrounding Panorama is one of pristine beauty, unspoiled by mundane things like gas stations and rest stops. The only restroom was a roadside outhouse, covered inside and out with snow at an invigorating -17 F. It was nice to be a pointer instead of a setter in that situation. 😊 Select trip members had to imitate hovercraft. “Improvise, adapt, overcome!”

It was -24 F the next morning, cancelling skiing for the day. Wash, rinse, & repeat on the 2nd day. We finally got out on the third day, but skiing in -20 F was a bit challenging. The last day was supposed to be warmer, but wasn't. HOWEVER, when we did ski, Panorama Mountain was AH – MAYZ – ING: Breathtaking views of gorgeous mountain forests covered in perfect snow.

We actually had a great time. When not skiing, we played cards, completed a LARGE jigsaw puzzle, watched football, ate gourmet pizza, and um, consumed adult beverages. Everyone was extremely friendly, especially the cute little bunny whose ears bobbed up and down at the bottom of our window. A closer look at this local fauna

revealed an absolutely adorable little girl. Unconcerned by the cold, she had a great time sliding down the hill from our window. Charming all the way around. 😊 In short, the resilience of this PSC group never ceases to amaze me, and I was proud to be their leader. Hope to go back to this ski area a different time after “The Big Thaw.” - **Paul**

Ski Clinic! - Five Piccadilly Ski Club members took part in an excellent three-day ski clinic at Chestnut Mountain Resort (Jackie Dudek, Terry Turlek, Eileen Murphy Amlee and Gary Kaufman). The clinic was led by Tom Gabrielese of Viking Ski Shop, assisted by two other coaches. The entire group totaled 25, including new friends from Nomads and Dunelands Ski Clubs. We learned to distinguish the different parts of our turns, initiate turns early, be patient in turns and even had a mini "bumps" lesson (very mini 😊). Though the temperatures were frigid, Wednesday and Thursday were very tolerable due to no wind, but Friday temps and wind were a challenge. Most of us have been skiing for some time, but it's never too late to learn and improve! - **Eileen**

Mystery Trip 2024 - The Mystery is solved we headed early Saturday morning to Tyrol Basin. We had a FABULOUS day. As a trip leader, I could not have asked for a more perfect combo of trip components coming together. To start with, our coffee and hot chocolate order was ready to go at 5:15am. Lamers sent a lovely lady driver Shawn to shuttle us around from 6:00 am to

9:00 pm. The weather was good for skiing: sunshine, blue skies, light breeze and no lift lines. Tyrol was very welcoming and easy to work with our fluctuating number count from late add-ons to numbers decreased due to flu and injuries. When we arrived

at Tyrol their group service team and rental techs had us out skiing in no time. We had 3 total skiing newbies who ended their day

with big smiles of accomplishment. To celebrate we hoisted the Shot Ski before departing Tyrol. On the way home we stopped at the Road Dawg Diner in Beloit, WI for a sit-down dinner. They fed us well and many left with take home containers. On the final leg of our trip. There was a drawing for Frosty, a wine cork snowman created by

the wino trip leader. We arrived back at Suburbanite Bowl at 9:10pm with some sore muscles that had not been used since last year but NO injuries. Thanks to all on the trip for making it a FUN and FABULOUS DAY!!!! **Cheryl Skurkis**

POP UP CROSS COUNTRY SKIING – 4 hearty souls went out to Arrowhead Golf course to XC ski John, Jen, Barry and I.

It was cold and the trails were a little icy but the wind is what did me in. My sunglasses did not stop my eyes from tearing and the cold made my eyelashes freeze together. So we headed in to have a hot bowl of chili. John wore goggles and was able to finish a loop before joining us for lunch at the clubhouse. -- **Cheryl Skurkis**
